Hi Kristen,

Here are the air results, which I had thought I sent earlier but maybe not. If not, I apologize. I did not see them in my sent list of messages.

They will need to be converted from ppbv to micrograms per cubic meter. Sorry about that, I should have specified, which I will do in the future.

I'll send the soils next.

Bob Egan

Good afternoon,

Attached are the results from the analysis of the above referenced project, please let me know if you have any questions. Thank you.

Sincerely,

Shawn Davis
